### **CIF SOUTHERN SECTION ACTION ENDS FOR 2008-2009 SCHOOL YEAR; DANA HILLS FINISHES WITH SECTION-HIGH FOUR TITLES**

LOS ALAMITOS -- Interscholastic athletic competition for the member schools of the CIF Southern Section came to an exciting close for the 2008-2009 school year this past week.

During the past school year, the CIF Southern Section awarded 146 divisional team championships in 23 varsity sports.

Topping the list of schools with multiple team titles for the year is Dana Hills, which captured four divisional championships. In the fall, the Dolphins girls tennis team claimed the Division I crown as well as the Division I Boy's and the Division I Girls Cross-Country titles. In the spring, they claimed a title in the Boy's Division I Track and Field Championships.
